

Hi Alvin

Tue

Alvin Glori

hi sir

Tue

thanks for getting back to me

Tue

Alvin Glori

I need a fulltime job indeed

Tue

can you link me to ur onlinejobs.ph profile page please?

Tue

Alvin Glori

honestly soemone got me for part time as marketer (just being honest)

Tue

i expect nothing less

Tue

Alvin Glori

still looking for fulltime job as web designer

Tue

ok, great

Tue

Alvin Glori

are you an agency ?

Tue

can you describe your duties as a "marketer" at the moment? what is a regular shift workload??

Tue

Alvin Glori

how many proejcts do you have?

Tue

I just creta email marketing cmapigns

im not an agency, im the lead developer for a company looking to hire for design work

Tue

Alvin Glori

writing capture pages, bridgpage, thank you page, and some facbook ads

Tue

we have alot of work, lots of projects

Tue

ok, i understand

the link to your profile page please

Alvin Glori

too easy for em to wrtte stuffs while waiting for a fulltime job

Tue

hold on

Tue

it is actually a part time from netherlnds

Tue

just writing marekting stuffs

when can you begin working?

Tue

and how much do you expect for 40 hours as a weekly salary in USD

Alvin Glori

last november

Tue

when can you START working

Tue

please read and respond carefully

Alvin Glori

I can start anytime

Tue

I just need specifcations of what are my tasks or responsibilities

I just read yu need web designer (front end) with graphic skills

hello\

ok, let me give you some examples

Tue

Alvin Glori

ok

Tue

we often need landing page ideas, stock image selection, email designs, popup ideas etc....you will be responsible for understanding the nature of the product, researching for comparable concepts, generating concept art and eventually delivering html/css

Tue

you will work closely with me, i will give you daily review and instruction, help ansrrr any of your questions and guide your work

Alvin Glori

I see from psd to html/css?

Tue

i dont care

Tue

if thats what your comfortable with or you have a tool that helps you do it then thats fine

Alvin Glori

ok I got your point

Tue

Tue

i just need a competent designer

Alvin Glori

I just need some specification of course for instance the texts, images, and otehr details

Tue

correct

Tue

im aware that you need guidance

Alvin Glori

what products are you pertaining?

Tue

i am familiar with working woth contractors to finish projects, this wont be hard...you will enjoy working with me

Tue

we work in the travel industry

vacations, cruises, etc

Alvin Glori

wow what a coincidence

Tue

what is your desired weekly salary in USD

Tue

Alvin Glori

if I work fulltime I will devote my time to you my minimum is 25000 i peso

Tue

...

Tue

please read and respond carefully

i have no patience for repeating myself

Alvin Glori

weekly salary I know you already have the salary grade for this

Tue

thank you for your time, good luck finding work. i wont be needing your services

Tue

Alvin Glori

7,000 php per week

Tue

USD

Tue

i specifically asked for USD, several times, i cant possibly work with someone who cant read and understand my words

im not interested in hiring you

Alvin Glori

140usd

Tue

no thanks
